RE: Docket Nos. SW-02361A-15-0206/15-0207 (Application for a rate increase by Liberty Utilities)

Dear Commissioners:

Please accept this letter opposing the latest rate increase requested by Liberty Utilities for sewer services to the North Scottsdale areas to which they provide services. Their present rates are now nearly 300% greater than those of the other homeowners of the City of Scottsdale.

Liberty Utilities (Black Mountain sewer Corp) has applied to the Arizona Corporation Commission (ACC) to raise our sewer rates from the current monthly bill of \$65.42 to \$79.20 plus adding a monthly surcharge of

\$8.57, bringing the total monthly sewer bill to \$87.77. If approved, the monthly surcharge could be increased over time to a cap of \$15/month without further approval by the ACC to a total monthly bill of \$94.20 in the future.

I strongly oppose this application, docket Nos. SW-02361A-15-0206/15-0207, considering Liberty Utilities (Black Mountain sewer Corp) has been granted numerous rate increases over the recent number of years that has grown their utility rates that already greatly exceeds those of the City of Scottsdale and all other utility company's providing similar services.

Thank you in advance for rejecting this application for a proposed rate increase.
